Security Procedure for Visitors

The Department of Commerce Boulder Laboratories site is a restricted access site. Entrance to all buildings and vehicle access to the site require prearrangement. Visitors must be sponsored by a Department of Commerce (DOC) employee. Within any campus building, vistors must be escorted at all times, except when attending a public conference or meeting in a designated public area.

Visitors are required to sign in and receive a visitor badge from the Visitors Center at the Security Checkpoint. Visitors will need to present a U.S. photo ID or foreign passport. No other forms of identification are accepted. Visitors who drive onto the site are required to park next to the Security Checkpoint and enter the Visitors Center to be screened before proceeding to their destination. All vehicles are subject to search each time they enter the campus.

Visitors are required to wear their visitor badge at all times while on site. Visitors who are attending a public conference or meeting are allowed unescorted access only to the lobby, restroom area, and cafeteria of Building 1.
