

**VQEG Meeting Logistics for Scottsdale, Arizona, USA
April 25 – 29, 2005**

**The meeting will be held at the
Marriott Scottsdale Suites - Old Town
7325 East Third Avenue
Scottsdale, AZ 85251**

The hotel is in the heart of downtown Scottsdale and is a short drive (12 miles) from the Phoenix Sky Harbor International Airport. Intel has worked out a special rate of US\$ 149 + tax (11.92%) per night for experts to stay at the same hotel which is a luxurious all suites property. **Please call the hotel directly at 1-800-898-5209 or 1-480-945-1550 to make your reservations.** It is highly recommended that you call the hotel as soon as you can for your reservations. Please make sure that you mention that you are attending the Intel event when you call them. **The deadline after which the hotel will release the Intel rooms for the general public is March 23rd.** I have visited the property and have toured the suites. I think you will like them. Health club membership and swimming pool usage is included in the rate. Unfortunately, if you need high speed internet access, you have to pay an additional fee of US\$9.95 per day.
