

Anders G Derneryd received the M.S. and Ph.D. degrees from Chalmers University of Technology, Gothenburg, Sweden in 1971 and 1976, respectively. He has been a Member and a Senior Member of the Antenna Departments at Ericsson Radar Electronics (1978-1992) and at Saab Ericsson Space (1992-1995) in Sweden. Currently he is an Expert at the Core Unit Antenna Technology, Ericsson Microwave Systems, Molndal, Sweden. He pursued his interest in microstrip antennas at Rome Air Development Center, Hanscom AFB, MA in 1976 and at the ECE Department of the University of Colorado, CO in 1986-1987. He has published several papers on microstrip antennas, array antennas, reflector antennas and dichroic surfaces. He has also contributed a chapter to the Handbook on Microstrip Antennas (Peter Peregrinus Ltd, 1989).
